FAIRINO Robot After-Sales Technical Service Certificate

Company: Fairino Europe s.r.o.

After review, your company participated in the "After-Sales Maintenance Technical Training" hosted by FAIRINO Robot from April 14th - April 18th. You have completed all course studies and passed both theoretical and practical assessments with satisfactory results. Your company is now qualified in the application, fault diagnosis, and after-sales maintenance of FAIRINO full range of robots.

Note: FAIRINO reserves the final right to interpret the validity of this certificate. Certified service providers are entitled to FAIRINO technical support.

Certificate No.: FRP25DA0001-CZ

Date: July 11, 2025
FAIR Innovation (Suzhou) Robot System Co., Ltd.
